Message from the Vice Chancellor

Greetings!

His Excellency

The Hon'ble Governor of Nagaland

It gives me pleasure in presenting the Sixteenth Report of the ICFAI University Nagaland for the year 2023-24 in compliance with section 44 of the ICFAI University Nagaland Act 2006 (Act No. 2 of 2006). The ICFAI University Nagaland has been established by an Act of Nagaland State Legislative Assembly vide Act No. 2 of 2006. The University is sponsored by the ICFAI Society, a not-for-profit educational society established in 1984.

The ICFAI University Nagaland (IUN) had its modest beginning, with six students in Management Studies, on September 3, 2007, from hired premises in Dimapur. Since its inception, the University has been motivated to impart quality education to the Youth of Nagaland and neighboring states. In April 2013, the University shifted to the permanent campus at Sovima Village in Chümoukedima (erstwhile Dimapur) district. At present, the university offers degree courses in the area of Management Studies, Computer Science, Social Sciences, Humanities, Commerce, Finance and Accounting. Most of the faculty members imparting quality education in the University are PhDs with adequate research experience from reputed Universities.

The University emphasizes on developing employable and well trained human resources to meet the requirement of the industries as well as society. The University has adopted the Choice based Credit System (CBCS) to develop skills across the multi-disciplines, which will be helpful to students after graduating from the university with additional domain knowledge. Till date, 1771 students have graduated from this university which includes 12 PhDs and 12 M Phil graduates. Most of the students are placed in government and private organizations apart from few who took up entrepreneurship and pursuing higher studies both in India and abroad. The University is currently running more than 20 different programs at Under Graduate, Post Graduate and Doctoral level in different disciplines, which has resulted into increasing trend of student base in the campus.

IUN's intellectually vibrant campus provides students an opportunity to engage in in-depth disciplinary learning and interactive and holistic development so that our students can achieve their dream and contribute to the society at large. This is time for students to grow and mature with professional attitude which will help them in future endeavour

The ICFAI University Nagaland has been delivering quality education by developing young minds by instilling in them ethical, moral values and providing leadership and innovative skills. Since the inception, the University has been in the forefront in extracurricular and Co-curricular activities which helps to bring out the best amongst young minds and their holistic development.

At present, the University has imprinted a position for itself in the State of Nagaland and the neighboring states of north eastern region. It has highly qualified faculty members and excellent academic environment. The University is held in high esteem by the students as well as recruiters, which is a positive sign of moving towards the development of ingenuous and innovative workforce to meet the emerging demand of Indian sub-continent. We are glad to place on record our gratitude for the kind support and encouragement being received from the Sponsor Society (ICFAI Society), Government of Nagaland and other Government as well as non-government agencies such as University Grants Commission, New Delhi, Indian Council of Social Science Research (ICSSR) and other institutions. Kindly find herewith the report on the activities carried out by the University during the year 2023-24.

Prof. (Dr.) Saundarjya Borbora

THE VISITOR

His Excellency
Shri La Ganesan
Hon'ble Governor, State of Nagaland

THE CHANCELLOR

Col (Dr.) VRK Prasad

Annual Report (2023-24)

The Sixteenth Annual report of the ICFAI University Nagaland relates to the period from April 01, 2023 to March 31, 2024.

This is in compliance with section 44 of the ICFAI University Nagaland Act 2006 (Act No.2 of 2006).

1. About the University

In the state of Nagaland, where diverse tribal communities flourish, the establishment of the ICFAI University Nagaland was initiated with the objective of nurturing a novel cohort of professionals characterized by outstanding proficiency and unwavering adherence to ethical principles. This esteemed educational institution was instituted through legislative enactment by the Nagaland State Legislative Assembly, notably under Act No.2 of 2006, promulgated on August 30, 2006, and subsequently notified by No. LAW/ACT-11/2006 on September 19, 2006. As a result, the University has been empowered to grant degrees in accordance with Section 22 of the UGC Act of 1956 and has received due recognition from the UGC under Section 2(f) of the aforementioned Act.

At the undergraduate level, the University offers a comprehensive array of programs encompassing BBA, BCA, B.Lib.I.Sc, BA, BA (Honors), B.Com and B.Com (Honors). For postgraduate studies, the curriculum includes MBA, MCA, M.Com, M.Lib.I.Sc and MA programs spanning disciplines such as English, Political Science, Economics, Education and History. Moreover, the University extends PhD courses in Management, English and Political Science.

Committed to the pursuit of knowledge and expertise across diverse domains, the University actively participates in advanced educational initiatives, research undertakings, consultancy services and scholarly publications. Its overarching objective is to cultivate a novel generation of professionals distinguished by exceptional proficiency, unwavering ethical values, and steadfast dedication to upholding professional standards.

To enhance the academic milieu, the University hosts a myriad of events including seminars, workshops, lectures, academic enhancement programs, competitions, sporting activities, cultural festivities and management symposiums. The institution prides itself on commendable infrastructural provisions, comprising a well-equipped

library housing over 8,000 volumes and 50 journals. Additionally, it offers a modern computer laboratory furnished with cutting-edge technology and internet connectivity, alongside standard classrooms outfitted with contemporary teaching aids. Moreover, the University features a dedicated laboratory for Library and Information Sciences equipped with the latest library software. These amenities are complemented by a cadre of experienced and highly qualified faculty and staff members.

In terms of professional prospects, the University facilitates internships and placements for its students in esteemed organizations. Throughout the years students have bagged jobs in AXIS Bank, HDFC Bank, Syndicate Bank, Maruti Suzuki, Birla Sun Life Insurance, BSNL, Vodafone, HN Company, Reliance Retail, Tata Motors, Symbiosis, Hindustan Unilever, Idea, Airtel, Vishal Mega Mart, Bharati AXA, Life Insurance Corporation of India, AIKO, Nagaland Industrial Development Corporation and Nagaland Paper & Pulp Corporation.

Amongst the recent efforts of the university towards placement, skill development and entrepreneurial promotion has been facilitating collaborations with YES Bank and Talent Acquaintance (a recruitment platform). The university conducted National Apprenticeship Awareness Workshop in collaboration with the Department of Skill, Employment and Entrepreneurship, Government of Nagaland. Entrepreneurial programs, such as, the Studentpreneur was conducted in collaboration with the Young Indians, EduCentre and Startup Nagaland under the department of Industries and Commerce, Government of Nagaland. The university arranges Financial Awareness Lectures in collaboration with companies like Canara HSBC Life Insurance.

The University endeavors to cultivate a fresh cohort of professionals distinguished by exceptional competence, steadfast ethical values, and a commitment to upholding the tenets of professional conduct.

Vision

The University shall establish itself as a distinguished hub of academic excellence, specializing in career-focused education, renowned for nurturing visionary leaders in a crucial sector of the state's economy.

Mission & Objectives

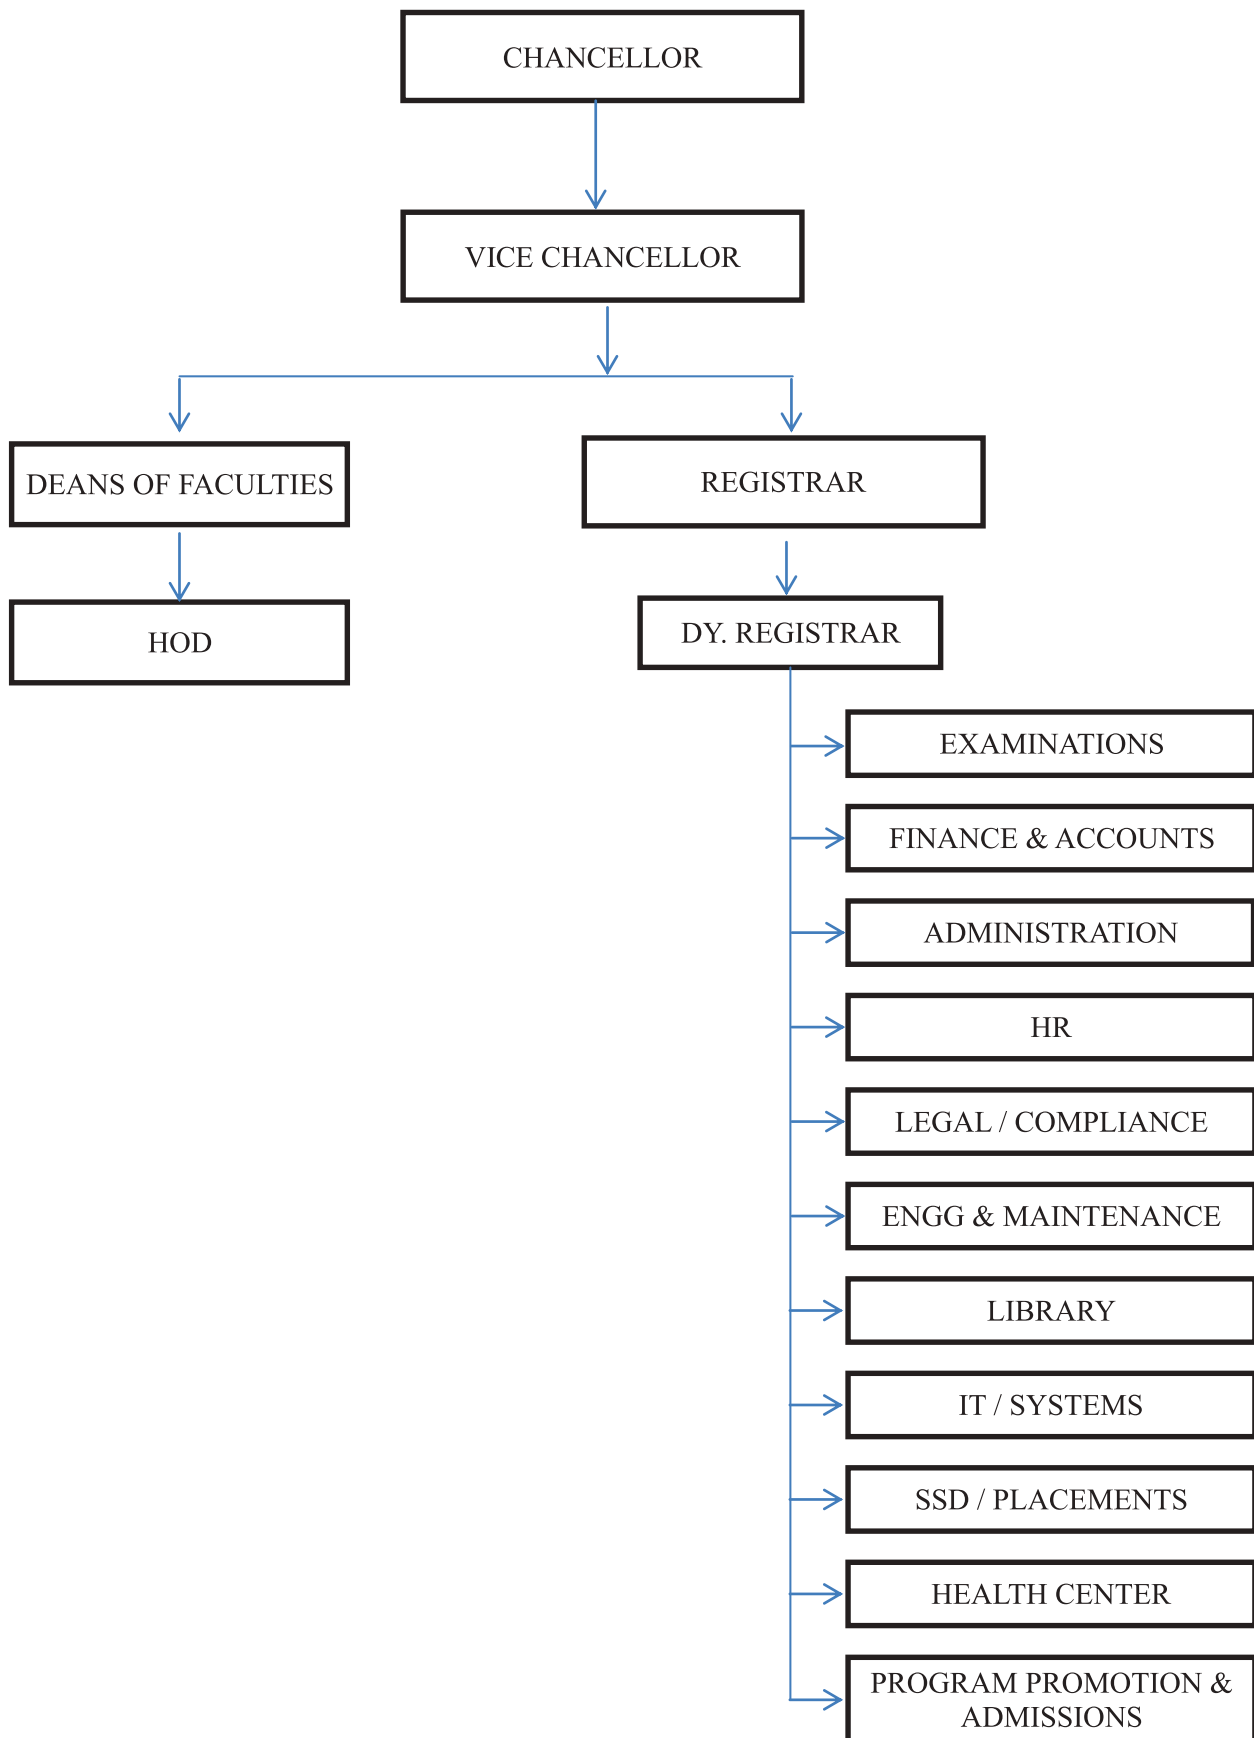

The primary objective of the University is to cultivate a cohort of proficient individuals, both men and women, who have been equipped with specialized skills. These individuals will learn to approach problems from a comprehensive standpoint and embrace a heightened sense of moral and social responsibility, in accordance with the demands placed upon them in their future leadership roles.

In order to accomplish these aims, the University strives to instill in its students five fundamental attributes:

- A holistic perspective that enables students to comprehend an organization in its entirety and understand its position within the broader operating environment.
- Analytical and integrative abilities that empower students to organize information in a clear and structured manner, resulting in precise problem definition, generation of innovative solutions, and timely implementation of chosen approaches.
- Technical and functional skills, collectively encompassing professional competence in the tools and functions of the business domain.
- Integrity, which encompasses personal business ethics and empowers conscientious and capable professionals to be true ethical citizens.
- Ethical leadership, fostering transparent interactions with diverse colleagues and competitors, and enabling distinguished ethical leadership within dynamic contexts.

Our Mission is "Learning for Leadership"

4. Establishment of the University

The ICFAI University Nagaland (IUN) has been established by an Act of Nagaland State Legislative Assembly (vide Act No.2 of 2006, dated 30th August 2006; under the notification No. LAW/ACT-11/2006, dated 19th September 2006). Consequently, the University has been empowered by UGC to award degrees, under section 22 of UGC act 1956; and recognised by UGC under section 2(f) of UGC Act, 1956. The University is a member of the Association of Indian Universities and also a member of Association of Commonwealth Universities.

The ICFAI University Nagaland is committed to impart quality education, both at the Undergraduate and Postgraduate level. The University currently offers BBA, BCA, B.Lib.I.Sc, BA and BA (Honors), B.Com and BCom (Honors) at the Undergraduate level, MBA, MCA, M.Com, M.Lib.I.Sc and MA (English, Political Science, Economics, Education, History) at the Post Graduate level and PhD programs in Management, Political Science and English are being offered. These programs are designed to provide contemporary knowledge and skills both functional and integrative. The University has also introduced Choice Based Credit System (CBCS) from the Academic Year 2015-16 onwards as per UGC/MHRD guidelines.

Since its inception, the University has been organising several Seminars at State and National level, Workshops, Lectures, Academic Development Programs, and Competitions etc. The University is located in 6th Mile Sovima (Dimapur) and the Infrastructural acumen of the University is commendable. Adding to this infrastructural fineness is the team of experienced and well-qualified faculty & staff. The University believes in creating and disseminating knowledge and skills in core and frontier areas through innovative pedagogy, research, consulting and publishing.

The University, with its motto ***Meritum Ethicus***, strives to develop a new cadre of professionals with a high level of competence and deep sense of moral principles and commitment to the code of professional conduct.

UGC Status

The University is empowered by University Grants Commission to award degrees under section 22 of UGC Act, 1956 vide letter No. F.8-15/2009 (CPP-1) dated November 04, 2009 as amended, and the campus was inspected by a team of experts from both UGC and AICTE, in the year 2014.

Finances

As per the provisions of the Act, the University is a private University supported by the Sponsor Society (ICFAI Society).

Right to Information Act 2005

- The University has complied with the provisions of the Right to Information Act 2005.
- The University has implemented the policy on the Prohibition, Discrimination and Sexual Harassment. The University has also implemented the policy on the prevention of Ragging.

Contribution of the University

- Provides high quality, value-based, career-oriented education for students.
- Facilitates students in understanding, developing, integrating and applying both core and specialized concepts and practices.
- Provides students with stimulating and learning atmosphere to utilize a higher level of their intellectual capacity required to specialize in the respective areas of study.
- Produces energetic, effective, efficient and ethical professionals to meet the desired needs of the dynamic world and serve the society.
- More details about the University can be found by visiting its website at www.iunagaland.edu.in

5. Infrastructure & Resources

Campus Infrastructure

Campus: Situated at 6th Mile in Sovima, Dimapur, Nagaland, the University boasts of comprehensive facilities geared towards delivering top-notch instruction. Equipped with modern amenities, it features well-appointed classrooms furnished with state-of-the-art teaching aids, a cutting-edge computer lab, and an exceptional library equipped with photocopying facilities.

Academic Infrastructure:

Classroom Instruction: Students engage in full-time classroom learning to enhance their command of various disciplines. Continuous and thorough assessments are employed to gauge learning outcomes, supplemented by regular tutoring sessions for students requiring additional support.

Library facilities: The University maintains a well-stocked library continuously updated with new books, periodicals, journals, and magazines. Offering a diverse selection of contemporary literature and reference materials, the library enriches students' understanding beyond the prescribed curriculum. Additionally, the university participates in the National Digital Library initiative.

Computing facilities: The University provides cutting-edge hardware and software infrastructure to meet the computing needs of both faculty and students. Accessible servers and terminals equipped with various operating systems facilitate a client-server environment. Internet access is available to students, fostering their continuous pursuit of knowledge..

Library & Information Science Lab: A specialized lab equipped with library science software offers hands-on training to students, ensuring they stay abreast of the latest technology in the field.

Sports & Development: The University prioritizes sports participation at local, state, and national levels, recognizing its importance in holistic student development.

Faculty Resources: Faculty members contribute significantly to the delivery of high-quality education through engaging instruction. Drawing from diverse expertise, practical experience, and advanced education, the faculty comprises professionals selected from esteemed universities and organizations nationwide

Educational Approach & Pedagogy: The University's instructional approach fosters independent thinking and cultivates positive attitudes, comprehensive perspectives, and contemporary skill sets among students. A student-centered learning model with progressive stages enhances comprehension in an integrated manner, offering a range of campus-based programs.
